**Do not be an answer to someone's demand. Create own!**

# PERSONALITY

---

An independent, high-energy and self-motivated business student with some business and development skills, currently continuing an education in Business Administration and learning new Programming Languages. Prepared to gain real-world experience.

Sociable person with a good ability to communicate with people. Winner of the Olympiad in Mathematics. Swimming competition winner. Member of the university business club. Person with aims and desires who is always able to learn necessary things. Highly organized, responsible and well-versed.

Got certificates from Red Crescent in 2013, and from other governmental organizations for active voluntary work. Interested in sports, namely in Formula 1 racing. Driven and obsessed by math, opened Math Courses and taught 10-11th grades. Aspired to open new achievements in programming sphere, and due to this applied for coding courses at Code Academy, and graduated with Honour Diploma. Aiming to use my knowledge in help for society. Seeking an opportunity to leverage my skills at your company. A success-exploring young man driven to contribute immediately to working area.
